### ***Model suite to close temporarily... but, you'll love the results!***

Sarnia, ON (October 26, 2007) – We've reached the point in our transformation where our First Sarnia Place luxury waterfront condominiums model suite will be closed for a short time to accommodate further servicing and window installations.

Effective Monday, October 29, 2007, the model suite will be closed temporarily.

However, our sales office on the ground floor of First Sarnia Place remains in operation during normal weekday business hours. Mel Inch, our senior sales broker, is only a phone call away (519-337-0010) and is always ready to answer your questions.

Plan to see the transformation for yourself, including our creatively designed covered balconies and other features of our luxury waterfront condominiums, when the model suite re-opens in time for holiday season visits.

Seaway Centre Sarnia, a division of Gilvesy Enterprises Inc., owns and manages First Sarnia Place, at 201 Front Street North, Sarnia, Ontario. The Gilvesy group of companies, which also includes Riverdance Holdings Inc., Gentrac Building Corporation and Permterra Development Corporation, has been involved in several prominent local projects, most notably the original development and construction of First Sarnia Place and the restorations of Sarnia's Lawrence House and Victoria Playhouse Petrolia.
