Multiple views of riverfront revealed to visitors

(Sarnia, ON – December 19, 2008) Visitors to First Sarnia Place, at 201 Front St. N., are seeing many more views of luxury waterfront living, with the recent opening of a new model and three additional suites recently made ready for occupancy.

“Of course, it’s the spectacular view that continues to draw people to our waterfront location,” notes Mel Inch, First Sarnia Place’s sales manager. “But, people just can’t get over the fact that each of our suites presents a slightly different, yet equally appealing scene of the St. Clair River and the local skyline.”

With construction wrapping up on a number of suites, the downtown Sarnia tower offers condominium shoppers a unique opportunity to walk through three of the project’s seven floor plans, situated at various locations and elevations throughout the building.

“Each suite offers its own distinct features and character,” says Inch. “The suites showcase various combinations of flooring and surface textures and colours. When you add in the quality construction, the expansive windows and the glass-walled, covered balconies, you end up with a highly appealing setting – there’s just nothing like it in the area.”

Now that First Sarnia Place is a registered condominium corporation, buyers can take immediate ownership of their suites. Having their own management company also assures residents of individualized attention.

The finishing details are also nearing completion in the fitness gym and multi-purpose room, which offer an added level of convenience for the tower’s growing number of residents.

The 6th floor model suite at First Sarnia Place is available for viewing from Tuesdays to Fridays, noon - 2 p.m. and from 5 p.m. - 8 p.m., as well as on Saturdays from 1 p.m. - 4 p.m. Appointments for private viewings at other times can be arranged by calling 519-337-0010. Further information is available at www.firstsarniaplace.com.

First Sarnia Place luxury waterfront condominiums is a project of Seaway Centre Sarnia, a division of Gilvesy Enterprises Inc. The Gilvesy group of companies has been involved in several prominent local projects, most notably the original development and construction of First Sarnia Place and the restorations of Sarnia’s Lawrence House and Victoria Playhouse Petrolia.
